*To all members:*

*I would like to take this opportunity to thank you for the very beautiful and festive Christmas gifts, and the Walmart gift card, which is most appreciated.*

*Even though the wildfires have been a tragic and debilitating event in our lives, we are managing to put our lives together ... with the help of folks like you, our families and friends. We are now at the point ... where we no longer will accept any gifts from any one, because we desire to be self sustaining, getting on with our lives in a renewed atmosphere, thanking God for folks such as you, and are adapting the motto ... "when you're made of iron ... fire only makes you stronger!"*

*Thank you so much again, and I will be thinking of you this Christmas day as I view all of the gifts that you presented, as well as others who have shown such caring and kind sensitivity.*

*May God bless you all ... keep you safe, healthy and happy throughout the new year, and wishing you and your families a very Merry Christmas and a Happy New Year. Let us all remember the reason for the season.*

*Sincerely,*

*Thanking you I am,*
